

Drama Group Bows Out.

Linda Thomas, Frodsham Townswomen's Guild Secretary writes:

"It is with some sadness that I have to inform you that after careful consideration the Townswomen's Guild Drama Group have decided that they no longer have sufficient numbers to continue their performances.

Over the past twelve years alone the Group, along with the support of the Guild Choir, has raised over £12,000 for a range of charitable causes.

I would like to take this opportunity to thank everyone who has supported our concerts and events. Without your help the money could not have been raised. Our appreciation must also go to our members who provided and served the refreshments.

Finally a very big thank you to the ladies themselves who have worked so hard to make the concerts so successful".

Didn't They Do Well?

There was a good turn out from the Garden Gang in August and they did a fantastic job of clearing and tidying the rear car park.

Details of the next 'gang meeting' will be posted in the centre and on Facebook so if you'd like to join us do get in touch.

Calling all community groups, clubs and associations!

If you use a building, area or green space in Frodsham for your meetings and activities then you can register it with the Town Council as an "Asset of Community Value". Being registered gives your facility more protection from future development. Your asset could be a building (such as the Community Centre), a pitch, a park, a playground, an art space or any land your group uses regularly. Any assets registered will be included in the Frodsham Neighbourhood Plan.

Frodsham is currently drafting its Neighbourhood Plan which will set criteria for the development of Frodsham until 2030. Please visit the website

www.frodshamplan.org.uk for more information.

The Frodsham Neighbourhood Plan will be holding some open sessions to explain how you can register your "asset of community value". Please send an email to frodshamplan@gmail.com and we'll let you know when the sessions are running.

Don't miss out, make sure your community group or club asset is registered so you can continue to go from strength to strength!
