September Open Day

As part of the Ruby Celebrations there will be an Open Day at The Centre on Saturday 12th September.

Stall space will be available indoors and out for any group wishing to be involved and we hope many of you will.

Put the date in your diary now.

Frodsham Townswomen's Guild Charity Donation

In February the TG Chairwoman, Miss Joan Pollen, presented a cheque for £1000 to a representative of The North West Air Ambulance.

This is the third year running that the group has raised £1000 for their chosen charity through hard work by the Drama Group and Choir, not forgetting the ladies in the kitchen.

Thanks must also go to the audiences who support the TG events and it is hoped there will be a packed house at their Coffee Evening on Wednesday 20th May at 7.30pm in The Centre.

The chosen charity this year is Frodsham Community Centre; quite appropriate in this year of The Centre's 40th anniversary and the 65th Anniversary of the Frodsham Townswomen's Guild.

Disappointing Response

To date there has been a very poor response to the appeal for information and items for The Centre's Ruby Anniversary Display.

We want to hear from every group using the Centre now and this is what we need:

- A photograph,
- A short history of the group
- Current meeting arrangements.
- All presented on 1 or 2 A4 sheets.

Please leave your poster in the office for the attention of Sue Thomson as soon as possible.

The Ruby Anniversary Display will be in The Lounge from May to July and throughout September and October. There will also be free standing displays around The Centre over the summer.

Breaking News.

We have just heard that Rocksavage Power Co. Ltd have agreed to be our sponsors for the Downhill Run for the fourth year running, supporting the event with a cheque for £1,000.

Now the funding is in place the entry forms will soon follow and with popularity of this event growing year by year, it is advised to get your entry in as soon as possible.

Make a Note

◆ With two **Boot Sales** coming up we are still short of **volunteers** willing to make an early (6am) start on Monday 13th April and Monday 4th May. But if you are not an early bird, help would still be appreciated during the morning and around 1.00pm to clear the field.

◆ Any group requiring use of **lights** on the stage, or the sound system must arrange this **IN ADVANCE** of their meeting. Either speak to the Caretakers Bob or David, or to (temp) Evening Steward, Chris Peate.

◆ Could all groups double check that all doors and windows are secure before they leave (especially the Small Hall and Lounge.) Failure to do so is resulting in an increased number of alarm call outs.

◆ Bar Volunteers always required. Please leave your name and number for the attention of David Smith.

◆ Get Well Soon. Chris Riley, Evening Steward, is now on the road to recovery following another operation. We hope to see him back in the office soon.
