Trevor Davies

It is with sadness we record the death of Trevor Davies.

Trevor had a long association with The Centre; he was a driving force in the centre's entertainment committee, the first panto chairman, pyrotechnic expert and licensee for 20 years.

Our thoughts are with Beryl and the family at this sad time.

RUBY ANNIVERSARY

Celebrations began in style on the occasion of the President's Dinner in May when FCA President, Cecil Bateman was presented with a silver salver on behalf of the Community Association to thank him for his 40 years as FCA Treasurer.

Cec shared the celebrations with the Ruby Anniversary of the opening of the Community Centre and was delighted that so many old friends from the early years of the association were able to be present at the dinner.

Guests assembled for the drinks reception before The Presidents Dinner.

P.S Cec's 'autograph' book is still available to sign and it will be in the office for you to add your own good wishes.

Frodsham Film Society— Ruby Days

Sharing their Ruby Anniversary with the Community Association is the Frodsham Film Society whose first presentation was a Den Martin film in December 1969. The Society was the brain child of David Hastings, now President, who is still a very active member.

The current Chairman, Cyril Cartwright, is also main projectionist. Luckily films are mainly DVD or video, not the old 16mm with two to three reels to contend with. Membership has varied over the years (currently between 120 to 140) and determined efforts by members and committee have ensured continued success.

The "Ruby" season of the Film Society commences on September 19th with *Mama Mia* and the December celebrations will be rounded off with Oscar winning *Slumdog Millionaire*.

Membership enquiries (or attendance at any film) should be made to Mrs Jayn Johnson, Enfield, Chester Road, Sutton Weaver, WA7 3DY or phone 01928 711614

Trefoil Guild 'Arms for Chairs'

At the AGM of the Cheshire Forest County Trefoil Guild a collection was made towards a third chair with arms to be available to Centre Users. £35 was raised and it is hoped that other groups might consider this a worthy project.

The Centre currently has two such chairs which are available to all users on request. More chairs equals, more comfort for less able visitors to The Centre.

If you would like to add to the Trefoil Guild fund for the chairs please contact Berit Beech.

200 Club Update

The 200 Club is now in its 5th year having contributed £16,000 to refurbishment projects over the first four years. A slight decline of membership recently however has led to a small reduction in the level of prizes.

At the FCA Annual General Meeting on 24th June we draw the main annual prize of the 200 Club, which this year will be £1,300. The quarterly draw of £325 and the usual monthly draws will also take place at the AGM.

Why not come along and see who the lucky winners are. It might be you, but only if you are a member! At the AGM you will also be able to participate in the policy and management of the Association.

The next issue of Centre Points will be out at the beginning of August. Any articles or information should be at The Centre by the 15th July or email sootee@btinternet.com

We are still accepting items for the Ruby Display so do let us know about your group. Items can be left in the office f.a.o. S Thomson.

Get Involved.

As part of the Ruby Celebrations there will be an Open Day at The Centre on Saturday 12th September.

Stall space will be available, indoors and out, for any group wishing to be involved and we hope many of you will. Please get in touch or leave a message in the Office.

And if you want to know more.....

Join In

The Centretainments Committee's next meeting is on **Thursday 9th July at 7.30pm.** Help is particularly needed for the September Events and The Downhill Run and our team is small and we need new and (even vaguely) enthusiastic new faces to join us.

Have You Been Yet?

Don't forget to 'spend a penny' at The Centre as we need all your loose change to add to the pot to refurbish the toilets.

Why not spend a penny or two every time you go! It all adds up.
