### Cecil Bateman FCA President .

It is with sadness we record the death of Cec Bateman who was the FCA treasurer for forty years, only 'retiring' in 2008.

Cec always looked after the pennies and it is a tribute to him that the building remains in such good order.

We will all miss him greatly and send our love and thoughts to the family.

## SITUATIONS VACANT.

It's not too late to join in the fun at the **Open Day**.

Bring a **stall** to advertise your group or do some fund raising. There are tables inside or out.

If you don't fancy taking part in the **Downhill Run** perhaps you would like to be a **marshal** on the route. We need marshals all the way down the road and at every junction to ensure the safety of all the runners.

You'll only be needed for about an hour on the day, you get a lovely yellow jacket to wear and you get the best view to cheer the runners on.

### How's your general knowledge?

The Centretainments team is looking for an individual or a group of people to set the questions for the Christmas Quiz.

We need 100 questions for the 20 rounds, plus a couple of tie breakers if we need them.

We provide all the prizes, answer sheets and everything else and we'll even be question master if you don't want to!

If you can help with any of the above contact Sue on 07971 907 669 or email [events@frodshamcc.co.uk](mailto:events@frodshamcc.co.uk) or leave your name and details at The Centre.

## Casino Central..... Fabulous!

The Community Centre certainly put its glad rags on for the fabulous Casino Night held in July and attended by ninety guests.

FCA would like to thank the businesses and friends who donated gifts and prizes for the raffle and tombola, or supported the event in other ways.

With complimentary bubbly, fine food, excellent entertainment and a play at the tables, the evening was rounded off by an impromptu disco.

And Well Done and Thank You FCA Centretainments. Let's do it again next year.

## HOUSE NOTES

Please remember the big kitchen is available to all groups using The Centre.

To keep everyone safe when more than one group needs access, only two members from each group can use the kitchen at any one time.

Too many cooks can cause accidents!

Thank you for your cooperation.

The ladies from the TG Choir officially opened the refurbished kitchen downstairs by the GP Room.

With lovely new blinds in the Small Hall we would now like to replace the ones in the kitchen. If you would like to make a donation towards these, please contact Berit Beech, Chairman of the House Committee.

The Centre is normally quite quiet during August which allows time for cleaning and running repairs. Please let us know of any 'grot spots' you have identified and if you'd like to help sort them out we'd love to see you. Just let us know when you are available and we'll get back to you.
