Title	Beginners’ Guide to Retrofit – How to make your home warmer and reduce bills.
When	Tue, 18. March 2025, 18:30 h - 20:30 h

Description

People are increasingly worried about how to improve their homes - make them warmer whilst reducing bills and protecting themselves from the kind of weather events we are seeing more frequently as climate change kicks in.

But it can be confusing! What do we mean when we talk about home energy efficiency and retrofit? In this short, beginners' guide we explore basic ideas and concepts, helping you get to grips with how you might reduce energy bills, improve your home and make it a little bit greener.

For: householders interested in energy efficiency and domestic retrofit, Community Energy and environmental group members, housing providers and landlords.

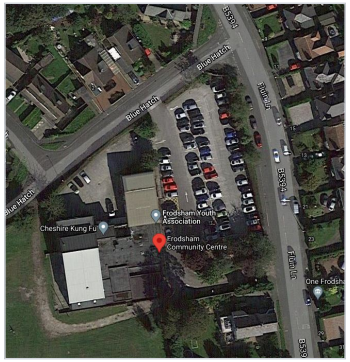

Beneft: gain a better understanding of retrofit and the key terms, unpack jargon and understand whether it is relevant to you - get advice on your options and practical next steps. No pre-existing knowledge required.

Hosted by Climate Acton Frodsham and People Powered Retrofit - a not for profit, community benefit society dedicated to improving our homes and tackling climate change!

Venue - Frodsham Community Centre

Location	Frodsham Community Centre
Website	https://centre.frodcomm.org.uk/

Description

We are situated between Blue Hatch and The Willows towards the bottom of Fluin Lane in Frodsham. For those with Sat Nav the Postcode is WA6 7QN.

From the M56 junction 12 follow the signs for Frodsham. At the traffic lights cross the swing bridge over the River Weaver. You will then be on Sutton Causeway leading to Bridge Lane. Continue for 800 yards passed the zebra crossing and under the pedestrian footbridge then turn left into Fluin lane.

The Community Centre is 200 yards up the hill on the right side of the road in the area on the map between Blue Hatch and The Willows.
