Title	Community Seed and Seedling Event
When	Sat, 5. April 2025, 14:00 h - 16:00 h

Description

Community seed and seedling swap at Frodsham Community Centre.

Have you sown all you have space to grow this year and have seeds left to share? Bring your seeds or seedlings and swap them for other unusual varieties.

If you don't have anything to swap, you can still come and take any seeds or seedings that you would like by making a donation (50p suggested but donate what you can).

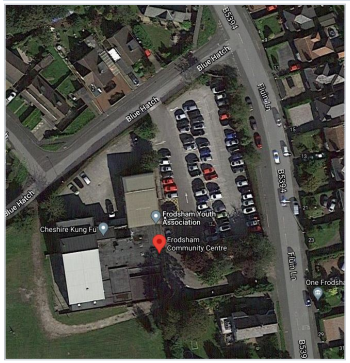

Drop in and find information on growing your own fruit and veg and supporting biodiversity plus chat to a CAF committee member about any of our projects.

Tea and cake available on the day.
